RENTAL SCHEME

Our affordable rental scheme is designed to give you a piano in your home with all the care and maintenance taken off your hands.

With a minimum rental period of just two months you will not be locked into any long-term commitment.

To get started, all you have to do is choose a piano from our rental range. Fill in the rental agreement forms and arrange a delivery time.

The piano of your choice will then be delivered at the pre-arranged time, we will make an appointment for the first tuning about 4 weeks after delivery and then every 6 months it will be tuned and serviced free of charge for as long you want to keep it. Then when you choose to finish with it, we will collect it free of charge.

A delivery and set up fee of £100 applies to all upright pianos being delivered within 15 miles of Hitchin, this includes the first tuning. We are sometimes able to quote rates for pianos going outside this area but on-going servicing and tuning needs to be done by ourselves so it can't be too far from our regular tuning rounds.

There is also the option to purchase. The piano may be purchased at any time for the original selling price less half the rental payments made, up to a maximum of 12 months of renting. (Therefore 6 months worth of rent is the maximum discount available).

It's as simple as that. No hidden charges. No catch.
